

Activity for pupils 2:

Special days and Sundays

You will need seven large cards with a day of the week on each one, placed round the room.

- Discuss the meanings of 'special' and 'celebration'.
- What is your special day in the week? Go to place in the classroom that has your special day on it.
- Talk to others at your special day point about why it is special to you.
- Listen to the story of a very special day (the story of the first Easter Sunday).
- What day in the week do you think is special for Christians? What do they Celebrate on this day?
- Use the mind-mapping activity to draw together learning and to provide evidence of children's achievement.
