

Commitment and belonging to Judaism.

Statement/picture cards.

Copy and enlarge the cards to provide a set for each pair of pupils. These include a “red herring”, but don’t tell pupils – see if they notice!

Ask pupils in pairs to:

1. Sort the cards into the correct order in a straight line to reflect the sequence of events for *Bar Mitzvah*, being careful not to look at anyone else’s. tell them that:
 - They are not allowed to ask you or anyone any questions;
 - They do not have to use all the cards.

Allow no more than 10 minutes. 5 may be long enough.

2. Before discussion, ask pupils to write their names on a piece of paper and write which card(s) they left out, saying why. Ask them to fold the paper and pass it to you. (You can look at these later.)
